

North Norfolk Classic Vehicle Club – January 2021 Newsletter.

Welcome to the first newsletter of 2021 and a happy new year to everyone. Like everyone in the UK, I am hoping that this year turns out much better than 2020 and that once we have all received “the jab” life will return to some semblance of normality. Once we are able to meet up in numbers the club aims to put together a range of activities for members to celebrate whatever the new normality is. Personally I will be suggesting as many local runs to get some mileage out of our “resting” classics and to blow away the cobwebs.

To start the programme running you will have seen a registration form for this year’s St Georges Day Run enclosed with the December club magazine. Should the covid restrictions still be in place at the time of the run, we will do as we did for 2020 and postpone the event till later in the year. So fill in the form and send it off to Christine before it is tidied away on 12th night with all the xmas decorations.

On the subject of postponed events, it looks very likely that the AGM will need to be moved to later in the year. Again, once we are allowed to gather together in numbers, we will set a date and hold the AGM as usual.

Normally at this time of year Mike would be starting to remind everyone to renew their membership, however as we mentioned previously, those who paid for membership in 2020 will automatically be renewed for 2021. There is therefore no need to re-submit a membership form or pay subs to Mike this year. However, if you have moved house during the past year could you please let Mike have your new address otherwise we cannot provide you with magazines etc.

Now to what I am sure you have all been waiting for (except with those with access to Google), the answers to my 2020 xmas quizzes!

Quiz 1. How well do you know your “Norfolk”?

1. Native of Sheringham with both parents born in Sheringham.
2. Sailing barge.

19. 64 squares on a chess board.
20. 15 men on a dead man's chest.

Well I hope you enjoyed my quizzes and that you may have learnt some new facts about Norfolk and Sheringham in particular. Meanwhile here's looking forward to receiving our calling notices to receive the covid vaccine and a return to getting out and about once more. In the meantime, stay safe and I look forward to once again seeing some interesting and unusual vehicles on the road after the next couple of months (hopefully).

Bob
